

# Sympathy

Glass Tides

When they say it's for the best  
Hard to swallow what you get  
Everything's gonna be okay  
I don't want your sympathy  
Breathing out, just to breathe in  
Hold my breathe it starts again

Hey yeah, I'm hopeless  
Hey yeah, I'm selfish with a cause  
Hey yeah, I'm broken  
Hey yeah, I'm closet insecure

Hey yeah, I'm worthless  
Hey yeah, I'm broken on my own  
Hey yeah, I'm shallow  
Hey yeah, it's no wonder I'm alone

Give my mind a simple thought  
Read it back as so much more  
Choking on the words I say  
No one listens anyway  
Breathing out just to breathe in  
Hold my breathe to start again

Hey yeah, I'm hopeless  
Hey yeah, I'm selfish with a cause  
Hey yeah, I'm broken  
Hey yeah, I'm closet insecure

Hey yeah, I'm worthless  
Hey yeah, I'm broken on my own  
Hey yeah, I'm shallow  
Hey yeah, it's no wonder I'm alone  
Hey yeah, it's no wonder I'm alone  
Hey yeah, it's no wonder I'm alone

Hey yeah, I'm hopeless  
Hey yeah, I'm selfish with a cause  
Hey yeah, I'm broken  
Hey yeah, I'm closet insecure

Hey yeah, I'm worthless  
Hey yeah, I'm broken on my own  
Hey yeah, I'm shallow  
Hey yeah, it's no wonder I'm alone  
Hey yeah, it's no wonder I'm alone  
Hey yeah, it's no wonder I'm alone
