

Ebb & Flow

Glass Tiger

Ebb & Flow

Verse 1

You gotta know I tried
To take it all the way
Pick up all these pieces of my life
Every ebb and flow
My heart is bleeding fast
I feel like I can't take no more
Feel like I will die

Pre-chorus

(It's alright it's gonna get better)
I don't know
(Hold tight, gets a little better)
Oh
Yeah
(It's alright it's gonna get better)
I don't know
(Ebb and flow, gets a little better)
Oh
Yeah

Chorus

It's alright, it's gonna get better
Hold tight, gets a little better
It's alright, it's gonna get better
Ebb and flow, gets a little better

Verse 2

I know you know I lied
Such things that I would say
To get me out
And free me from your eyes
The spells that you can cast
The magic that you can play
I can't take this anymore
No matter what you say

Chorus

It's alright, it's gonna get better
Hold tight, gets a little better
It's alright, it's gonna get better

Ebb and flow, gets a little better
Cause baby you flow
Baby you flow
I can't let go
Can't let go

Bridge

And I feel the sunlight
And I see the sunrise
In your eyes

Verse 3

You've gotta know I tried

To take it all the way
To pick up all these pieces of my life
Every ebb and flow
My heart is bleeding fast
I feel like I can't take no more
I feel like I will die

Pre-chorus/outro

(It's alright it's gonna get better)
I don't know, oh
(Hold tight, gets a little better)
(It's alright it's gonna get better)
(Ebb and flow, gets a little better)
Dream of the time
(It's alright it's gonna get better)
Living on rain
(Hold tight, gets a little better)
So far away from here
(It's alright it's gonna get better)
Lost catching sky
(Ebb and flow, gets a little better)
Dark were the days
Are thoughts that were crystal clear
You
Me
Together
We ebb and flow
Ebb and flow
