

# I'll Try

Glasseater

And i will try to be that guy  
i will try to really lie  
to present myself with a false appearance  
to please your needs and feed your craving  
why?  
can't you take me?  
why?  
100 % true  
why?  
honestly  
what you don't want  
a nice kid with glasses  
sorry i can't afford that cool shirt
