

A Snowflake Fell (And It Felt Like A Kiss)

Glasvegas

The breeze from the graveyard keeps murmuring death
Too much time harbors thoughts in heads
Now I'm compelled to care
About a future that's going nowhere

As I stand here all alone in the cold wondering where I'm going
today
Then a snowflake fell and it felt like a kiss
Now I'm okay

The ringing from the bells keeps screaming out love
As snow fell from heavens above
Directionless no more
Emptiness no more

Now I don't feel so all alone in the cold wondering where I'm going
today
For a snowflake fell and it felt like a kiss
Now I'm okay
