Glee Cast

Oh make me over  
I'm all I wanna be  
A walking study  
In Demonology

Hey, so glad you could make it  
Yeah, now you've really made it  
Hey, so glad you can make it now

Oh look at my face  
My name is might have been

My name is never was

My name's forgotten

Hey, so glad you could make it  
Yeah, now you've really made it  
Hey, there's only us left now

When I wake up in my makeup  
It's too early for that dress

Wilted and faded somewhere in Hollywood  
I'm glad I came here with your pound of flesh

No second billing cause you're a star now  
Oh Cinderella, they aren't sluts like you

Beautiful garbage, beautiful dresses  
Can you stand up or will you just fall down?

You better watch out  
Oh what you wish for  
It better be worth it  
So much to die for

Hey, so glad you could make it  
Yeah, now you've really made it  
Hey, there's only us left now

When I wake up (in my makeup)  
Have you ever felt (so used up as this?)

It's all so sugarless  
(Hooker, waitress)  
Model, actress  
(Oh just go nameless)

Honeysuckle  
She's full of poison  
She obliterated everything she kissed

Now she's fading somewhere in Hollywood  
I'm glad I came here with your pound of flesh

You want a part of me

Well I'm not selling cheap  
No, I'm not selling cheap
