

I Just Can't Stop Loving You

Glee Cast

Each time the wind blows
I hear your voice so I call your name
Whispers in morning our love is dawning
Heaven's glad you came
You know how I feel this thing can't go wrong
I'm so proud to say I love you
Your love's got me high I long to get by
This time is forever
Love is the answer

I hear your voice now you are my choice now
The love we bring
Heaven's in my heart at your call I hear harps
And angels sing
You know how I feel this thing can't go wrong
I can't live my life without you

I just can't hold on

I feel we belong

My life ain't worth living if I can't be with you

I just cant stop loving you
I just cant stop loving you
And if I stop then tell me just what will I do
I just can't stop loving you

At night when the stars shine I pray in you I'll find
A love so true

When morning awakes me
You come and take me
I'll wait for you

You know how I feel
I wont stop until
I hear your voice saying, I do

I do
This thing can't go wrong

This feel's so strong

Well, my life ain't worth living

If I can't be with you

I just cant stop loving you (oh no!)
I just cant stop loving you (loving you)
And if I stop (uh woah)
Then tell me just what will I do
I just can't stop loving you

We can change all the world tomorrow

We can sing songs of yesterday

I can say hey, farewell to sorrow

This is my life and I

Want to see for always

I just cant stop loving you (ooh, baby no!)

I just cant stop loving you (cant, cant stop!)

And if I stop (no!)

Then tell me just what will I do (what will do!)

I just can't stop loving you (eee)

I just cant stop loving you

I just cant stop loving you (no, will do)

And if I stop

Then tell me just what will I do

I just can't stop loving you
