

## Oh Chanukah

Glee Cast

Oh Chanukah, Oh, Chanukah  
Come light the menorah  
come to our party  
We'll all dance the hora  
Gather 'round the table  
we'll give you a treat, dreidels to play with and latkes to eat

And while we are playing  
The candles are burning low  
One for each night, they shed a sweet light  
to remind us of days long ago  
One for each night, they shed a sweet light  
to remind us of days long ago.
