Glee Cast

Whenever I see someone less fortunate than I  
And let's face it, who isn't less fortunate than I?  
My tender heart tends to start to bleed

And when someone needs a makeover  
I simply have to take over  
I know, I know exactly what they need

And even in your case  
Though it's the toughest case I've yet to face  
Don't worry, I'm determined to succeed  
Follow my lead  
And yes, indeed  
You will be

Popular

You're gonna be popular  
I'll teach you the proper poise when you talk to boys  
Little ways to flirt and flounce ([Rachel:] Ooh)

I'll show you what shoes to wear

How to fix your hair

Everything that really counts to be popular  
I'll help you be popular

You'll hang with the right cohorts

You'll be good at sports

Know the slang you've got to know

So let's start  
Cause you've got an awfully long way to go

Don't be offended by my frank analysis  
(Think of it as personality dialysis)  
Now that I've chosen to become a pal, a sister and adviser

There's nobody wiser

Not when it comes to

Popular  
I know about popular  
And with an assist from me  
To be who you'll be

Instead of dreary who you were

Well are

There's nothing that can stop you  
From becoming popular (Kurt: lar)

La la, la la  
We're gonna make you popular

When I see depressing creatures  
With unprepossessing features

I remind them on their own behalf

To think of  
Celebrated heads of state  
Or specially great communicators  
Did they have brains or knowledge?

Don't make me laugh  
Haha  
They were popular

Please

It's all about popular  
It's not about aptitude  
It's the way you're viewed  
So it's very shrewd to be  
Very, very popular  
Like me ([Rachel:] Hihihi)

Why?  
Miss Elphaba  
Look at you  
You're beautiful

I-I have to go

You're welcome

And though you protest  
Your disinterest

I know clandestinely  
You're gonna grin and bear it  
Your new found popularity ([Rachel:] Ah)

La la la la  
You'll be popular  
Just not quite as popular as me
