

We Found Love

Glee Cast

Yellow diamonds in the light
Now we're standing side by side
As your shadow crosses mine
What it takes to come alive
It's the way I'm feeling I just can't deny
But I've gotta let it go

We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place

Shine a light through an open door
Love and life I will divide
Turn away cause I need you more
Feel the heartbeat in my mind

It's the way I'm feeling I just can't deny
([New Directions:] I just can't deny)

But I've gotta let it go
Ooh

We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place

Yellow diamonds in the light
([Santana:] In the light)
And we're standing side by side
([Santana:] Oh)
As your shadow

Crosses mine...

We found love!

We found love in a hopeless place
([Santana:] Ooh)
We found love in a hopeless place
([Santana:] In a hopeless place)
We found love in a hopeless place
([Santana:] Oooh-oooh)
We found love in a hopeless place
([Santana:] Hopeless place)

We found love!

We found love in a hopeless place
([Santana:] Ohoh)
We found love in a hopeless place
([Santana:] We found love)
We found love in a hopeless place
([Rachel:] Ooh)
([Rachel and Santana:] We found love)
