

## After the Glitter Fades

Glen Campbell

I never thought I' make it out in Hollywood  
I never thought I'd ever wanna stay.  
What I seem to touch these days  
Has turned to gold.  
What I seem to want to know I find a way.  
And for me it's the only life I've ever known.  
Love is only one fine star away.  
Even though the living is sometimes  
Is laced with life, it's all right.

The feeling remains even after the glitter fades.  
The loneliness of a one night stand is hard to take.  
We all chased something, and maybe this is a dream.  
The time is faced by a country man  
While his heart breaks.

But the dream keeps coming even when you forget to feel  
And for me its the only life I've ever known.  
And love is only one fine star away.  
Ane even though the living is sometimes laced  
With life, it's all right.  
The feeling remains after the glidder fades

And for me, it's the only live I've ever known.  
And love is only one fine star away.  
And even though the living is sometimes laced with life  
It's all right.  
The feeling remains even after the glitter fades.  
The feeling remains even after the glitter fades.
