Galveston

Glen Campbell

Galveston oh Galveston I still hear your seawinds blowing I still see her dark eyes glowing She was 21 when I left Galveston

Galveston oh Galveston I still hear your seawaves crashing While I watch the cannon's flashing I clean my gun and dream of Galveston

I still see her standing by the water Standing there looking out to sea And is she waiting there for me On the beach where we used to run

Galveston oh Galveston I am so afraid of dying Before I dry the tears she's crying Before I watch your seabirds flying in the sun At Galveston at Galveston
