

Grow Old with Me

Glen Campbell

Grow old along with me
The best is yet to be
When our time has come
We will be as one
God bless our love
God bless our love

Grow old go on with me
Two branches are one tree
Face the setting sun
When the day is done
God bless our love
God bless our love

Spending our lives together
Man and the wife together
World without hurt
World without hate

Grow old along with me
Whatever fate decrees
We'll see it thru
For our love is true
God bless our love
God bless our love
