

Hang On Baby (Ease My Mind)

Glen Campbell

Time of trouble worries showing
I hardly know which way to turn
This easy livin' is gettin' harder
Sure had a lesson to learn
Things ain't goin' just like they should of a
Being around you just feels so good so

Hang on baby
Ease my mind
Hang on baby
Everything's gonna work out fine

Down and out, ain't no down
But baby we sure been through a lot
We ain't got a cent that ain't already spent
And we just barely makin' our rent
But there's one thing we sure got
All them bad times, they won't last
All them dark clouds movin' fast so

Hang on baby
Ease my mind
Hang on baby
Everything's gonna work out fine

Hang on baby
Ease my mind
Hang on baby
Everything's gonna work out fine

Hang on baby
I love you
Hang on baby
Hang on baby
Hang on baby
