

# I Wanna Live

Glen Campbell

Flowers have blooms  
The ocean has waves  
The sky has clouds  
People have babes  
I wanna live till I get old  
I wanna watch all of this grow

I wanna live, live and let live  
I want all the love this life has to give  
I wanna smile and be friendly with you  
I wanna live and let you live some too

Rover is big  
Tabby is small  
Betty is short  
Jimmy is tall

They wanna live, live and let live  
They want all the love this life has to give  
They wanna smile and be friendly with you  
They wanna live and let you live some too  
We wanna live, but don't you
