

If Not for You

Glen Campbell

If not for you
Babe, I couldn't even find the door
And I couldn't even see the floor
And I'd be sad and blue
If not for you

If not for you
The night would see me wide awake
The day would surely have to break
But it would not be new
If not for you

If not for you the sky would fall
And rain would gather too
Without your love I'd be nowhere at all
I'd be lost if not for you

If not for you
The winter would have no spring
I couldn't hear the Robin sing
I just wouldn't have a clue
If not for you

If not for you the sky would fall
Rain would gather too
Without your love I'd be nowhere at all
I'd be lost if not for you

If not for you
The winter would have no spring
I couldn't hear the Robin sing
I just wouldn't have a clue
If not for you
