It's Just a Matter of Time

Glen Campbell

```
Someday and some way
You'll realize that you've been blind
Yes, darlin', you're going to need me again
It's just a matter of time

Go on, go on
'Till you reach the end of the line
But I know you're gonna pass this way again
It's just a matter of time

After I gave you everything I had
You laughed and you called me a clown
But just remember in your search for fortune and fame
What goes up must come down

I know, yes, I know
That one day you'll wake up and find
That my love was a true love
It's just a matter of time
Just a matter of time
```
