Jesus, help me find my proper place  
Jesus, help me find my proper place

Help me in my weakness  
Jesus, help me find my proper place  
Jesus, help me find my proper place

Help me in my weakness  
Cause I've fallen out of grace

Jesus, Jesus

Cause I've fallen out of grace

Jesus, Jesus

Jesus, help me find my proper place  
Jesus, help me find my proper place

Help me in my weakness  
Cause I've fallen out of grace
