

Lay Me Down (Roll Me Out to Sea)

Glen Campbell

Got dust on my guitar and dishes in the sink
Your side of the bed is cold and I can't sleep a wink
So I read you goodbye letter to the face inside my dream
Lay me down and roll me out to sea

Got your picture in my wallet and some pictures in my mind
A pocket full of memories I thought I'd never find
Lord it's raining like a Monday and the world seems so unkind
Lay me down an roll me out to sea

Lay me down an roll me out to sea
Callin' on a mighty wave to cover me
Lay me down an roll me out to sea
Heaven if your ready shine your light shine it on me

Now listen to my story I haven't told it all
I saw her with a guy today she turned to me and called
When she asked how you doing I could have crumbled like a wall
Lay me down an roll me out to sea

Lay me down roll me out to sea
Callin' on a mighty wave to cover me
Lay me down roll me out to sea
Heaven if your ready shine your light shine it on me

Lay me down Lord and roll me out to sea
Callin' on a mighty wave to come an cover me
Lay me down lay me down roll me out - roll me out to sea
Heaven if your ready Heaven if your ready
Shine your light shine it on me

So lay me down lay me down roll me out to sea
Come on you mighty wave an roll over me
Lay me down...
