

# Livin' in a House Full of Love

Glen Campbell

Now love is pouring through the windows, comin' through the doo  
r  
I can feel it creepin' through the cracks in the floor  
Bouncin' off the walls and the ceilin' up above  
Since I found you I'm livin' in a house of love

All my life my heart's been walked on  
Women said they loved me, my how they talked  
Tellin' me lies and fillin' my eyes with tears  
That I couldn't control

I couldn't get a hold of myself long enough to realize  
They were only tryin' to pull the wool over my eyes  
I found you then the skies turned blue  
I'm livin' in a house of love

Now love is pouring through the windows, comin' through the doo  
r  
I can feel it creepin' through the cracks in the floor  
Bouncin' off the walls and the ceilin' up above  
Since I found you I'm livin' in a house of love

Once I lived in a hole like a rabbit  
I couldn't find love the blues were a habit  
A lonely man and I couldn't understand  
Why everything I tried went wrong

Till you came alone bless your heart and showed me the right wa  
y  
You dried my eyes and turned my night to day  
And I'm so proud I wanna holler our loud  
Tell the world about my house of love

Now love is pouring through the windows, comin' through the doo  
r  
I can feel it creepin' through the cracks in the floor  
Bouncin' off the walls and the ceilin' up above  
Since I found you I'm livin' in a house of love

Now love is pouring through the windows, comin' through the doo  
r  
I can feel it creepin' through the cracks in the floor  
Bouncin' off the walls and the ceilin' up above  
Since I found you I'm livin' in a house of love
