Oh what a woman she treats me uncommonly good yeah she does
My my woman she treats me like my woman should yeah she does
Well she's good as a woman can be anything to satisfy me
Yes oh what a woman she treats me uncommonly good
Well she cleans my house she sews my britches scratches my back
everytime it itches

Cooks my food and has my youngun's makes me proud that she's my woman yeah

She knows I like cornbread butter milk onions and tomatoes White beans turnip greens Irish potatoes
Sets me a table that's fit for a king cause she loves just bein g my queen

Oh what a woman treats me uncommonly good

Well some fellows don't know when they take a wife Just what kind of woman they're stuck with for life Now I've known men who took their spouse And she wound up wearin' the britches in the house

Yeah but now my little woman on the other hand can't do enough to please her man

Spends her time just bein' my girl and there's not another like her in the world no

Oh what a woman she treats me uncommonly good yeah she does My my woman she treats me like my woman should Well she's good as a woman can be anything to satisfy me Well oh what a woman treats me uncommon uncommonly good
