## **People Get Ready**

## **Glen Campbell**

People get ready there's a train coming You don't need no baggage you just get on board All you need is some faith to hear the diesels humming And you don't need a ticket you just thank the Lord

Let me tell you there ain't no room for the hopeless sinner Who'd hurt all mankind just to save his own Have some pity on those whose chances grow thinner Cause there's no hidin' place against the kingdom's throne People get ready

I'll let you people get ready for there's a train coming You don't need a ticket you just get on board I'll let you people get ready for there's a train coming And you don't need no baggage you just get on board You don't need no ticket you just thank the lord
