Terrible Tangled Web

Glen Campbell

You've got a way of makin' me blue
You've got a way of hurtin' me, too
Oh, what a terrible, tangled web we weave
Don't we?

Well, you've got a gentleman on the side
And you've got a friend that you're tryin' to hide
Oh, what a terrible, tangled web we weave
Don't we?

We both got a way of goin' our way
A knowin' cause gets greater each day
And I know you know you know we both deceive
Don't we?

We've got a way of livin' a lie
And life's got a way of makin' us cry
Oh, what a terrible, tangled web we weave
Don't we?

Why do we have to settle for it?
How can we take too much more it?
Figures we both lack the nerve to leave
Don't we?

We've got a way of livin' a lie
And life's got a way of makin' us cry
Oh, what a terrible, tangled web we weave
Don't we?

Oh, what a terrible, tangled web we weave
Don't we?
