I, I'm a one way motorway
I'm a road that drives away
Then follows you back home
I, I'm a street light shining
I'm a wild light blinding bright
Burning off alone

## (Uh huh huh) It's times like these you learn to live again It's times like these you give and give again It's times like these you learn to love again It's times like these time and time again It, I'm a new day rising I'm a brand new sky To hang the stars upon tonight I, I'm a little divided

Do I stay or run away And leave it all behind?

```
(Uh huh huh)

It's times like these you learn to live again

It's times like these you give and give again

It's times like these you learn to love again

It's times like these time and time again
```

```
(Oh (11x))
(Uh huh huh)
It's times like these you learn to live again
It's times like these you give and give again
It's times like these you learn to love again
It's times like these time and time again
It's times like these time and time again
It's times like these time and time again
```
