

# Wild Winds

Glen Campbell

Wild wind, carry me  
To a place I'd rather be  
Wild wind, pure and strong  
Sing your siren song

Hoo ooh ooh  
Hoo ooh ooh

How I dream to ride with you  
And see the sights that wild winds do  
Around the world in 80 days  
Calling all the way

Calling hoo ooh ooh  
Hoo ooh ooh

Wild wind, pure and strong  
Sing your siren song

Singing hoo ooh ooh  
Hoo ooh ooh  
Hoo ooh ooh...
