So, if you want something

G

And you call, call

F

Then'll come running

C **Ami**

To fight, and I'll be at your door

G

F

When there's nothing worth running for

Ami

When your mind's made up

G

When your mind's made up

F

There's no point trying to change it

Ami

When your mind's made up

G

When your mind's made up

F

There's no point trying to stop it

C **Ami**

You see, you're just like everyone

G

When the shit falls all you want to

F

C

do is run, away

Ami

And hide all by yourself

G

When you're far from me, there's

F

nothing else

Ami

When your mind's made up

G

When your mind's made up

F

There's no point trying to change it

When your mind's made up

When your mind's made up

There's no point even talking

When your mind's made up

When your mind's made up

There's no point trying to fight it

Ami **G** **F**

C **Ami**

So, if you ever want something

G

And you call, call

F

Then I'll come running.
