## When your mind's made up

## Glen Hansard & Markéta Irglová

```
C Ami G F
        Ami
So, if you want something
And you call, call
        F
Then'll come running
To fight, and I'll be at your door
When there's nothing worth running for
Ami
When your mind's made up
When your mind's made up
There's no point trying to change it
When your mind's made up
When your mind's made up
There's no point trying to stop it
                                   Ami
You see, you're just like everyone
When the shit falls all you want to
do is run, away
                          Ami
And hide all by yourself
When you're far from me, there's
nothing else
Ami
When your mind's made up
When your mind's made up
There's no point trying to change it
When your mind's made up
When your mind's made up
There's no point even talking
When your mind's made up
When your mind's made up
There's no point trying to fight it
Ami G F
                          Ami
So, if you ever want something
```

G

And you call, call

F

Then I'll come running.
