

Falling Slowly

Glen Hansard

I don't know you
But I want you
All the more for that

Words fall through me
And always fool me
And I can't react

And games that never amount
To more than they're meant
Will play themselves out

Take this sinking boat and point it home
We've still got time
Raise your hopeful voice, you have a choice
You'll make it now

Falling slowly, eyes that know me
And I can't go back

Moods that take me and erase me
And I'm painted black

You have suffered enough
And warred with yourself
It's time that you won

Take this sinking boat and point it home
We've still got time
Raise your hopeful voice, you have a choice
You've made it now

Falling slowly sing your melody
I'll sing it loud

Take it all

I played the cards too late
Now you're gone
