

# Gabriel

Glen Phillips

Gabriel, listen  
I'm in need of a friend  
Gabriel would you listen?

Faith alone is a prison  
And I can't sleep with the fallen  
Gabriel would you listen  
If you are here then let me see  
I need you now  
Please don't leave me  
Gabriel, listen

You will speak for the father  
And who will speak for the others?  
The widows, sons, and the mothers  
And I'm so far now from heaven  
That I won't question dissenting  
Gabriel, listen

Church is fallen  
Priests are hard up  
If these are your workers  
Then is all this love, this earth, this good forsaken?

Gabriel, listen  
I'm in need of a friend  
Gabriel would you listen?  
Faith alone is a prison  
And I am one of the fallen  
Gabriel wouldn't listen  
And Gabriel wouldn't listen
