

How Can I

Glenn Fredly

How can I love you, my lady
Everyday and every night, uh
How can I love you day by day
Through the day and through the night

How can I phrase you, my baby
Through the good, yeah, through the bad, uh
How can I phrase you, sweet lady
Through the joy and through the sad, yeah

Somebody tell me that I'm in love
That I love you girl
And it's just you girl
I need your love for me

I wanna love you and I hold you so tight
And I love you always
Everyday and every hour, yeah
I wanna love you and I won't let you go
I need your love
Baby girl!

How can I love you, my lady
Everyday, yeah, and every night
How can I love you, my sweet lady
Cheering you, I've found you

Somebody tell me that I'm in love
That I love you girl
And it's just you girl
I need your love for me

I wanna love you and I hold you sometime
And I love you always
Everyday and every hour
I wanna love you and I won't let you go
I need your love
Everyday, oh

I wanna love you
Baby please hold me thigh
And I love you always
Everyday and every hour
I wanna love you and I won't let you go
I need your love
Yeah

I wanna love you
Baby please hold me thigh
And I love you always
Everyday and every hour, baby, oh
I wanna love you and I won't let you go
I need your love
I need your love
I need your love
I need your love
Your love, your love, your love, yeah

I need, I need, I need you, yeah
Baby girl
Yeah, yeah
I need you, I want you
Every night and everyday
Woah
Baby girl, I'm so in love with you, woah, yeah
