

I Got Your Number

Glenn Hughes

How you've been?
Alright?
You got the power
Turn on the light
Don't run for cover
No need to hide
You should be here
Right by my side
'Cause you know I've got your number
You know I've got your number
I got yours, you got mine
Want you to know that
Your love came on time
I got your message up on the wall
You break my back
You make me wanna crawl
To get your number
You know I've got your number
It's alright
It's alright
Number
Number
It's alright
How you've been?
Alright?
You got the power
Turn on the light
Don't run for cover
No need to hide
You should be here
Right by my side
'Cause you know I've got your number
You know I've got your number
It's alright
It's alright
It's alright
Number
Number
Number
Number
