

# I Will Follow You

Glenn Hughes

It is the season of my life  
The work keeps turnin'  
And now that I have seen the light  
I'll keep learnin'  
I sacrifice material things  
That surround me  
In my soul I am building  
A love that was meant to be  
I get my faith in the morning  
I let my conscience ride  
I feel a new day is dawning  
And there's one that I want to do,  
I will follow you  
(it's true)  
You know that I'll be good to you  
Because love is everything  
No matter what you say or do  
I'll be yearnin'  
The children the children  
That live in your heart  
They are callin', callin'  
They are waiting with god
