Madeleine

Glenn Hughes

Born in the city, you are Mother Nature's friend
You come one step closer to yourself
Over by the looking glass you worship no one else
I go one step back inside my shell
Sitting in your country house, you work them to the bone
So they tell me who's been there
There's no doubt about it, you've been heaven tailor made
And they talk about you everywhere
You made your choice
You have the world in the palm of your hands
I'll never know
And I will never understand
(Madeleine)
I can't wait anymore
(Madeleine)
I can't take anymore
You live the life of luxury, you have to pay no rent
You come one step further, what is your role?
You're headin' for that deadline, baby, now tell me what you find?
I go one step deeper inside the cold
You live your life in misery, how can you be so cruel
You go one step nearer to the wall
I know this is a tragedy, now tell me who's your fool?
You come one step closer to the fall
You made your choice
You have the world in the palm of your hands
I'll never know
And I will never understand
(Madeleine)
I can't wait anymore
(Madeleine)
I can't take anymore
You made your choice
You have the world in the palm of your hands
I'll never know
And I will never understand
(Madeleine)
I can't wait anymore
(Madeleine)
I can't take anymore
(Madeleine)
I can't wait anymore
(Madeleine)
I can't take anymore
I can't wait anymore
I can't take anymore
I can't wait anymore
I can't take anymore
I can't wait anymore
I can't take anymore
I can't wait anymore
I can't take anymore
