

Too Far Gone

Glenn Hughes

It was only a matter of time
Trip on the world like before
When you did your crime
You were blind in the sun
You gave me a midnight dance
My beautiful one
All alone
Such a long way from home
Now you're gone, you're too far gone
Overcome, you're too far gone
Days, they come and they go
Desire to give yourself
Believe and to know
I'll be there by your side
You're taking a midnight run
You know you can't hide
All alone
Such a long way from home
Now you're gone, you're too far gone
Overcome, you're too far gone
Now you're gone, you're too far gone
Overcome, you're too far gone
Lonely, how you will feel
Just like the wind on the wreck
Up against the sail
You will come back to me
As sure as the sand on the shore
Lies beneath the sea
All alone
Such a long way from home
Now you're gone, you're too far gone
Overcome, you're too far gone
Now you're gone, too far gone
Overcome, you're too far gone
You're too far, oh yeah
You're too far gone
You're gone
