

Good One

Glenn Lewis

Said I know I got...
Said I know I got...
I got me a good one [repeat x4]

Whenever I need you you're always there
You're even there the times I didn't even know you better
And whenever I call girl you answer
Damn girl you're so good I think you can be the cure to cancer

Girl ohhhh sometimes I can't believe that He sent you to me
Ohhhh I get this feeling I never had it in my soul
As sure as the the sky holds the sun
Said I know I got me, I got me a good one.

So baby whenever you need me, don't hesitate to call
'Cause I'm your friend when you feel you've got no friends at a
ll
Lay your head on my shoulder and tell me all about it
And when we're done talking we can make love all around

Ohhhh sometimes I can't believe that He sent you to me
Ohhhh I get this feeling I never had it in my soul
As sure as the the sky holds the sun
I know I got me, I got me a good one

Said I know I got...
Said I know I got..
I got me a good one [repeat x4]
