

# Lonely

Glenn Lewis

You're gonna be lonely  
You're gonna be lonely

Baby, how you been? I been doin' fine  
Been takin' my time to get myself on track  
Why you'd never call, you used to have my back  
Whenever I fall, you we're always there for me  
Now you're not at all so it's been awhile  
Was tryin' to figure out when it's my turn to smile  
I think that time has come be careful what you say  
If it's game you want then you know I came to play

Don't think too bad of me  
It's just so sad to see  
You used to be proud of me  
Now you're gonna be lonely  
Without me as your friend  
Goes around, it'll come back again  
When I was your only  
Now you're gonna be lonely  
Now you're alone  
Now you're gonna be lonely  
Now you're alone  
Now that I have gone

Now you say what's up because you know the deal  
What you think I feel when I lay down at night?  
Because I don't have you, you think I'm not all right  
I say this for myself, I don't need nobody else  
Before it's too late said you better think twice  
Love or you can hate me all that you like

Don't you think too bad of me  
It is just so sad to see  
You used to be so proud of me  
Now you're gonna be lonely  
Now you're alone  
Now you're gonna be lonely  
Now you're alone  
Now you're gonna be lonely  
Now you're alone  
Now you're gonna be lonely  
Now you're alone  
Now that I am back

Now that I am back  
That I'm back  
You're gonna be, you're gonna be lonely  
You're gonna be lonely  
Take it from me  
What you did to me, gonna be lonely  
Yeah, yeah, yeah now that now that I'm back  
You're gonna be  
You're gonna be lonely
