

Selfishly

Glenn Lewis

We're at two different places in our lives and I can see what's
coming up for sure
No two people are the same but I'd hate to say it, still I can't
help feeling seen this before
Once you came into my life
You were my world
Song that my heart would sing
No summer's day more clear to me -
The love that you've
Offered it gladly (sooooo...)

Selfishly
It's hard to let you be
'Cause I wonder where you are and if you truly understand that
Honestly
More than you can see,
I love you with all my heart
If I let go then will you come back?

We've talked about it so much I'm afraid that you'd wanna give
up and I'd lose you right away
You're trying to figure out what's next for you, while I feel before
time runs out and it's too late
Gotta get my future right

And make my life
Count for something
Gotta give my hardest try
But you hold my heart -
It's made you my everything...(soooooohhhh!!!...)

Will you come back?
(come back...)
Will you come back?
Will you come back?
Oooooohhhhhh...(ooohhhhhh ooooooo...)

Will you come back?
Will you come back?
Will you come back?
