

# Selfishly

Glenn Lewis

We're at two different places in our lives and I can see what's  
coming up for sure  
No two people are the same but I'd hate to say it, still I can't  
help feeling seen this before  
Once you came into my life  
You were my world  
Song that my heart would sing  
No summer's day more clear to me -  
The love that you've  
Offered it gladly (sooooo...)

Selfishly  
It's hard to let you be  
'Cause I wonder where you are and if you truly understand that  
Honestly  
More than you can see,  
I love you with all my heart  
If I let go then will you come back?

We've talked about it so much I'm afraid that you'd wanna give  
up and I'd lose you right away  
You're trying to figure out what's next for you, while I feel before  
time runs out and it's too late  
Gotta get my future right

And make my life  
Count for something  
Gotta give my hardest try  
But you hold my heart -  
It's made you my everything...(soooooohhhh!!!...)

Will you come back?  
(come back...)  
Will you come back?  
Will you come back?  
Oooooohhhhhh...(ooohhhhhh ooooooo...)

Will you come back?  
Will you come back?  
Will you come back?
