

Storm

Glenn Lewis

Oh, oh, don't say no
Oh, oh, oh. yeh

Hey babe can we be broke together?
Can we make dough together?
Answer my question
Don't say no, no, no, no, no

I wanna take you there, but are you ready?
Girl let me tell about my beginnings
Because it's something you should know, know, know, know, know

It's that, no man is an island
It's that, my soul feels like dry land
And I need you to

Storm, girl I need ya
Come and keep my body warm
I want you to, Storm
I can feel you flowing,
Show no signs of slowing down uh
Storm, girl I need ya to
Rain, it keeps me going
Storm, temperature below the norm
That's why I need ya to

Go forever,
Can we hit the coast together?
Tell all the people, they should know, know, know, know, know, know
Ooh baby, no there's nothing like this weather
Baby never mind the shelter
Because there's nowhere you can go, go, go, go, go
Remember that,

No man is an island, and that means you too
Your soul feels like dry land, to me sometimes
So,

Storm, girl I need ya
Come and keep my body warm
I want you to, Storm
Temperature below the norm
That's why I need ya to
Storm,

Storm, storm, girl I need ya
Storm, girl I need ya
Oh rain down on me baby
Oh, baby girl, Oh babe, storm
Oh I need ya,
Rain rain down on me

Storm, girl I need ya
Come and keep my body warm
I want you to, Storm
I can feel you flowing,
Show no signs of slowing down uh

Storm, girl I need ya to
Rain, it keeps me going
Storm, temperature below the norm
That's why I need ya to

Storm, girl I need ya
Come and keep my body warm
I want you to, Storm
I can feel you flowing,
Show no signs of slowing down uh
Storm, girl I need ya to
Rain, it keeps me going
Storm, temperature below the norm
That's why I need ya to

Tell me your storm is coming up,
Put it on the weather channel,
I asked the weather woman,
All about the storm,
I'm all about your storm,
All about your storm, all about your storm...
