

# Anything For You

Glenn Medeiros

Everything you are  
is like a shining star.

You guide your light to me, you set me free  
You set me free

Anything for you.

Baby, I need you.  
That is from my heart, 'cause  
I could never leave you,  
I loved you from the start.  
And I will stand beside you  
'cause girl you are my everything.

You fill me with emotions,  
I just can't define.  
Your love is like a potion  
that keeps my world alive.  
You've shown me a devotion,  
I never thought that love could bring. Ohhhh-oh.

If I only had the power,  
I'd give the world to you  
and fill it with the colors  
of love forever true.  
'Cause no one else has touched me,  
quite the way you do.  
Baby, (baby)  
I'd do anything for you.

I was just a lonely  
man without affection  
'till you came to me like a gift from heaven.  
Giving me the freedom to be all the things I wanna be.

I'd climb the highest mountain,  
cross the widest sea,  
if only just to love you  
and hold you endlessly.  
You fill me with your fire  
the way you always do  
and baby (baby)  
I'd do anything for you.

(baby) (baby) (baby)

Every time I kiss your lips,  
it makes me want to try,  
to show you just how much I really need you in my life.  
There's no place I'd rather be  
than holding you close to me,  
close to me baby,  
close to me.

Ohhh-oh this love we've found  
don't come around.

Oooooh, the love you bring baby,  
makes me wanna sing.  
Mmmmm, tell me baby  
what'cha gonna do?  
'cause baby, (baby)  
I'd do anything for you.

climb the highest mountain, (climb the highest mountain, baby)  
cross the widest sea,  
if only I could hold you (if only I could hold you )  
love you endlessly.  
I'm never gonna leave you (never gonna leave ya)  
I wouldn't change a thing.  
no, no, babe

I was just a lonely (I was just a lonely)  
man without affection  
'till you came to me ('till you came to me )  
like a gift from heaven.  
Giving me the freedom to be all the things I wanna be.
