

Boyfriend

Glenn Medeiros

You stand looking for someone with a fast car
A sip of champagne with your caviar
If you only look to treats to fancy restaurants
To look at me, that's not what I want

You know I'm not a millionaire
But I got so much I want to share

Can't buy you diamonds
Can't buy you pearls
Can't take you on a trip around the world
I'm not just Sugar Daddy
I just pretend
All I want is to be your boyfriend
Be your boyfriend

All my friends they talk about the girls again
The macho men, guys I just met
I don't give you all the thing that the others have
But what I have to give you, girl you'll never have

I know real love is hard to find
Yes, I've been looking for you such a long time

Can't buy you diamonds
Can't buy you pearls
Can't take you on a trip around the world
I'm not just Sugar Daddy
I just pretend
All I want is to be your boyfriend
Be your boyfriend

I got it
I got it
Lock out in the cold
That's where you'll be without it
It's what you need I got it
It's what you need I got it
It's what you need I got it
Girl, I've got so much
I've got to share

Can't buy you diamonds
Can't buy you pearls
Can't take you on a trip around the world
I'm not just Sugar Daddy
I just pretend
All I want is to be your boyfriend
Be your boyfriend
