

Everybody Needs Somebody To Love

Glenn Medeiros

I'm in love with you woman
and I've been so lonely
wishin' only
that you would be my lover.
Lady you're so fine
I just can't get you off my mind 'cause
every time I see your face,
every time I look into your eyes
You touch me in so many ways,
it makes me want to fly.... high.

So if you'll take the time,
look into my eyes and maybe you will find;
everybody needs somebody to love.
All the things you say,
all the games you play,
livin' life that way.
Everybody needs somebody to love.
You say that he's in love with you.
When all you're really livin' for is his money.
Baby, it's so funny.
How a girl as sweet as you
could ever come to throw your life away.
To leave your heart alone to stay.
I know you need security,
but baby I can give so much more.
All you need is lovin' and sincerity
and I can give you more.

So if you'll take the time,
look into my eyes and maybe you will find;
everybody needs somebody to love.
All the things you say,
all the games you play,
livin' life that way.
Everybody needs somebody to love.

Oh baby, I'll stand by you in any weather,
as long as the world will let us be together.
'cause baby I believe that dreams come true.
And lady I need your love.
'cause baby it's more than enough.... oh!
Lady there's a fantasy, and it burns deep inside of me.
To love you in ecstasy, over and over and over and over.
To feel the warmth of your touch.
You know I need it so much.
You've taken me out of control.
Lady I need your love.
'cause baby it's more than enough.... Oh!
So if you'll take the time,
look into my eyes
and maybe you will find;
everybody needs somebody to love.
All the things you say,
all the games you play,
livin' life that way.
Everybody needs somebody to love.
