Have Yourself A Merry Little Christmas

Glenn Medeiros

Have yourself a merry little Christmas Let your heart be light From now on, our troubles will be out of sight Have yourself a merry little Christmas Make the Yuletide gay From now on, our troubles will be miles away Here we are as in olden days Happy golden days of yore Faithful friends who are dear to us Gather near to us once more Through the years we all will be together If the fates allow So hang a shining star upon the highest bough And have yourself a merry little Christmas now

Have yourself a merry little Christmas Let your heart be light From now on, our troubles will be out of sight Have yourself a merry little Christmas Make the Yuletide gay

From now on, our troubles will be miles away
Here we are as in olden days
Happy golden days of yore
Faithful friends who are dear to us
Gather near to us once more
Through the years we all will be together
If the fates allow
So hang a shining star upon the highest bough
And have yourself a merry little Christmas now
