

If I Never Love Again

Glenn Medeiros

Once again I find myself lost in you.
All my friends say I'm just a fool.

Even now,
I think of all the times we shared alone,
and if you're thinking of me
and the way that I used to be.

So if I never love again,
it wouldn't the hardest thing to do.
'Cause everything I'd see would only be images of you.
And if I never love again,
at least I have the dreams you left behind.
And if that's all it'll be -
well that's enough for me.

At night I sometimes stare into the sky, (the sky, the sky)
and I try to forget about the day you said goodbye (goodbye).
And even now when I think of all the people in my life,
the only thing they couldn't do
is touch me the way you do.

So if I never love again,
it wouldn't the hardest thing to do.
'Cause everything I'd see would only be images of you.
And if I never love again,
at least I have the dreams you left behind.
And if that's all it'll be -
well that's enough for me.

So even now (even now,
when I think of all the times we shared alone.
I hope that you're thinking of me
and the way that it used to be.

So if I-I-I-I never say that,
it wouldn't the hardest thing to do,
'Cause everything I'd see would only be images of you.
And if I never love again,
at least I have the dreams you left behind.
And if that's all I'll see -
well that's enough for me.

for me, for me, for me, for me.....
