

## Inside

Glenn Medeiros

A heart of solid stone  
locked in a world unknown.  
Surrounded by the cold  
dark depths of all that makes it hard to live  
and harder to forgive -  
that is what they say of you.

They say they've heard you cry  
more than a thousand times  
and maybe that is why  
you push yourself aside  
from those who move to close.  
From those who love you most -  
you don't have to hide.

'Cause baby I can see the passion  
through the windows of your eyes.  
Trying to find its way to someone -  
let me be the reason why.

Take me where your soul resides  
far beyond the walls you hide behind -  
inside.

(inside)

If I were to come to you  
would you take me to your paradise -  
inside?

(inside)

Scenes of you and I  
the rhythm and the rhyme  
played back in slow time.  
All through the night have taken over me,  
everything I dream leads me here to you.

Don't try to understand,  
relax your mind and then  
let your heart send you to me here again  
and when that moment comes  
I'll hold you in my arms and never let you go.

'Cause baby I can see the passion  
through the windows of your eyes.  
Trying to find its way to someone -  
let me be the reason why.

Take me where your soul resides  
far beyond the walls you hide behind -  
inside.

(inside)

If I were to come to you  
would you take me to your paradise -  
inside?

(inside)

I know that you've been down this road before  
and you're too afraid to try again.  
To be alone again once more.  
But baby I believe in you

and nothing you could ever do could be so wrong.  
Is it so wrong to love someone?  
Take me where your soul resides  
Far beyond the walls you hide behind -  
inside.  
(inside)  
If I were to come to you  
would you take me to your paradise -  
inside?  
(inside)

You don't have to be alone,  
anymore.....  
anymore.....  
anymore.....
