

# Lonely Won't Leave Me Alone

Glenn Medeiros

Why do I seem to be caught up inside a dream?  
All my life, it's always been my shadow and me  
Over my shoulder there's always a voice somewhere  
Saying, I ever should try to set my heart free

I wish that love would come and take me in her arms  
Show me what I've never known  
Where I could hold someone and words like right and wrong  
Just fade away like yesterday

Lonely won't leave me alone  
Lonely won't leave me alone  
Why, tell me why?  
Won't even let me fall in love

Oh, everywhere I go  
Always by my side  
Won't even let me fall in love

I try and say, I love you but the words won't come through  
When my eyes see all the tears and sad memories  
Why can't I start out new and leave that old feeling, too  
Far behind, I guess, that lonely needs company

Around each bend of road, I'm thinking back in time  
There will be that rainbow's end  
But when I follow love, self delusions I find  
That it's only lonely and me again

Lonely won't leave me alone  
Lonely won't leave me alone  
Why, tell me why?  
Lonely just keeps my heart out of touch

Oh, everywhere I go  
Always by my side  
Won't even let me fall in love

Lonely won't leave me alone  
I wish that love would come  
Lonely won't leave me alone  
And take me home  
Lonely, lonely won't let me fall in love

Lonely won't leave me alone  
I wish that love would come  
Lonely won't leave me alone  
And take me home  
Lonely, lonely won't let me fall in love

Lonely won't leave me alone  
I wish that only  
Lonely won't leave me alone  
Love would come  
Lonely, lonely won't let me fall in love
