

# Never Get Enough of You

Glenn Medeiros

Never had enough of a good thing  
Always watching love fade away  
I found something that only gets better  
I found someone that's here to stay. Ya!

No matter where you are  
you're always in my heart  
I never get enough of you  
'cause every day goes by  
I want you even more  
I never get enough of you  
no matter what you say, no matter what you do  
I never get enough of you

I don't have to search for perfection  
just your tender touch is all I need, ah-hh  
you got something  
I can believe in  
you make magic so real

No matter where you are  
you're always in my heart  
I never get enough of you  
'cause every day goes by  
I want you even more  
I never get enough of you  
no matter what you say, no matter what you do  
I never get enough of you

we're on the road baby  
no end in sight  
I found what I've been looking for  
all my life

I'll never get enough of you  
I'll never get enough of you

No matter where you are  
you're always in my heart  
I never get enough of you  
'cause every day goes by  
I want you even more  
I never get enough of you  
no matter what you say, no matter what you do  
I never get enough of you

I don't want no other  
I never get enough of you  
I don't need no other  
I never get enough of you...
