

# What's It Gonna Take

Glenn Medeiros

I never stood you up.  
I never let you down.  
So help me understand  
why you're foolin' around.  
You've got to make a choice,  
it's either me or him.  
I want to know what's left  
when you spread your love thin.  
What am I supposed to do?

Knowing you  
spend the time in the arms of another man.

What do you expect from me?  
Don't give me your sympathy.  
Who do you think I am?  
What's it gonna take....  
to make your mind up now.  
A heart's gonna break  
no matter which way you go.  
What's it gonna take....  
I can't keep fakin' it.  
It's makin' me ache.  
Gotta let someone know!

I don't know where to go,  
I don't know what to do.  
I only know I need to be near you.

You say you love me more,  
but then you need him too.  
I just can't wait and take  
what you're puttin' me through.  
Maybe if I let you go,  
then you would come to know,  
how much you feel for me.

I don't want to play that game,  
but I can't take the pain.  
How do I ever see?  
What's it gonna take....  
to make your mind up now.  
A heart's gonna break  
no matter which way you go.  
What's it gonna take....  
I can't keep fakin' it.  
It's makin' me ache,  
I gotta let someone know.  
I gotta let someone know.  
I try to keep myself busy with things  
so I don't have to think about you.

I never been good at foolin' myself.  
Baby you're all that I wanna do.

What's it gonna take....  
to make your mind up now.

A heart's gonna break  
no matter which way you go.  
What's it gonna take....  
I can't keep fakin' it.  
It's makin' me ache,  
gotta let someone know.  
What's it gonna take....  
to make your mind up now.  
A heart's gonna break  
no matter which way you go.  
What's it gonna take....  
I can't keep fakin' it.  
It's makin' me ache,  
I gotta let someone know.  
What's it gonna take....  
to make your mind up now.  
A heart's gonna break  
no matter which way you go.  
What's it gonna take....  
I can't keep fakin' it.  
It's makin' me ache.
