

## Would I

Glenn Medeiros

Years have drifted on,  
one by one.....  
Yet I..I remember  
all the times we shared,  
so unaware.....  
that someday it would.....  
Would.. I.... be a fool to say....  
I think of you on days,  
when I'm all alone.  
And would... I.... be far from the truth,  
to say that you  
sometimes think of.....  
sometimes think of me too?

Late at night I dream...  
that we meet.....  
once again.  
But even in my dreams,  
it's hard to see...  
you and I.. more than friends...  
Would.. I... be a fool to say....  
I think of you on days,  
when I'm all alone.  
And would... I.... be far from the truth, (far from the truth)  
to say (to say) that you  
sometimes think of..... (sometimes think of)  
sometimes think of me too? (me too, me too)

Would.. I...

Would.. I...

Would.. (Would I) I... (Would I) be a fool to say....  
(to say that you love me)  
I think of you on days,  
when I'm all alone. (Would I)  
And would... (Would I) I.... be far from the truth,  
to say that you (to say that you love me)  
sometimes think of..... (still thinkin' of me)  
sometimes think of me?  
Would... (Woooo, wooo, ohh) I... be a fool to say....  
(you're thinkin' of me when you're all alone)  
I think of you on days, (baby)  
when I'm all alone.  
Would... I.... be far from the truth,  
to say that you (would I be the fool)  
sometimes think of..... (Would I be the fool?)  
sometimes think of me?
