

You Ku'uipo

Glenn Medeiros

On this island I found a way,
to see the beauty in passing days.
Flowers that impel my love.
Moments some only hear of.

Loving under a waterfall.
Hearing the owl's midnight call.
Whispers from the ocean shell.
Whispers only you and I can tell.

You Ku`uipo
bring these moments to my mind.
You Ku`uipo
are an island one of a kind.

One of a kind.

In this land I found a way,
to view the beauty of passing days.
Rainbows, jewels of a misty crown.
Craters covered with a silken gown.

Stars that always shown so bright.
Scattered throughout the lovely night.
Where true love befalls my soul.
True love that came upon a grassy knoll.

You Ku`uipo
bring these moments to my mind.
You Ku`uipo
are an island one of a kind.

One of a kind.

(You Ku`uipo) Under a waterfall.
Hearing the owl's midnight call.
(You Ku`uipo) Whispers from the ocean shell.
Whispers only you and I can tell.

(You Ku`uipo) Stars that always shown so bright.
Scattered throughout the lovely night.
(You Ku`uipo) Where true love befalls my soul.
True love that came upon a grassy knoll.
