

# You Left The Loneliest Heart

Glenn Medeiros

I felt the need to call my friends  
But even friends can't help you when  
You've got the loneliest heart  
The loneliest heart

I work for you, 8 days in a week  
But girl, you're gone, I can't get any sleep  
I've got the loneliest heart  
The loneliest heart

Why did you have to go  
Just when I thought that you needed my love  
Why did you write this letter  
Just when I thought things were getting better

You left the loneliest heart behind  
And maybe, that lonely heart is mine  
You left the loneliest heart  
The loneliest heart

It's been 2 years, but that's not enough  
I'm going crazy without your love  
I've got the loneliest heart  
The loneliest heart

Fell in love with another girl  
But when we're making love I still see your face  
You left the loneliest heart  
The loneliest heart

Tell me why did you have to go  
Just when I thought that you needed my love  
Why did you write this letter  
Just when I thought things were getting better

You left the loneliest heart behind  
And maybe, that lonely heart is mine  
You left the loneliest heart behind  
And maybe, that lonely heart is mine

You left the loneliest heart behind  
And maybe, that lonely heart is mine  
You left the loneliest heart behind  
And maybe, that lonely heart is mine

You left the loneliest heart behind
